

The **Public Education Office** needs volunteers who enjoy working with the public and are at least 16 years old. The ability to lift 10 pounds is desired. Volunteers are needed to:

- * assist with safety fairs (hand out literature with a staff member of the Fire Department, staff interactive games for the children, and greet guests)
- * work in an office environment handling a variety of clerical tasks
- * assist with presentations at large school assemblies
- * provide translation and interpretation services to assist families participating in the **Juvenile Firesetter Program**. Languages needed include Spanish, Russian, Hmong and others. The Juvenile Firesetter Program holds academies for families in collaboration with many agencies in the region. These academies are held 4 times a year and include 3 evening sessions.
